**European Epidemiological Forum** is an international event with the aim to share knowledge on clinical observational research that has become an essential tool in the health care development processes.

## 2020 Annual Meetings:

# 3<sup>rd</sup>

## Patient Partnering in Clinical Development

Berlin (Germany)

02<sup>nd</sup> and 03<sup>rd</sup> March 2020

**Patients** remain the most valuable asset in clinical development. Involving patients, their families, their associations/advocacy groups and their caregivers in clinical projects has proven to be very beneficial for all stakeholders involved. Contributions from patients have resulted in the conceptualization of clinical trials with patient-friendly aspects built into trial design. Collaborating with communities on local and regional levels may definitely help both funding, planning, recruitment and retention.

## 2019 Annual Meetings:

# 10<sup>th</sup>

## European Statistical Forum

Rome (Italy)

**Pre-Conference Seminar**

11<sup>th</sup> November 2019

**Conference**

12<sup>th</sup> November 2019
